## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

York Comprehensive High School was selected a Palmetto Silver Award Winner and maintained accreditation with Southern Association of Colleges and Schools, Advance Placement, and Project Lead the Way. The school was invited to participate in the Palmetto Gold and Silver Awards Program Showcase. High Schools that Work was implemented to redesign our high school. A site visit was conducted.

Competing in division 4A, our students excelled in academics, athletics, band, chorus, NJROTC, art and other extracurricular activities. We are proud of the success of our students and very thankful for the support we received from our parents and community. The support is evidenced by the passage of an \$85 million dollar bond referendum that will provide a new high school. The facility was designed to include a performing arts center, athletic complex, and technology center. A ground breaking ceremony was held in May 2008.

The class of 2008 set the pace for high levels of academic achievement. National recognition was awarded to one national achievement finalist and three Spanish students. Twelve students were selected Palmetto Fellows and three students SC Teaching Fellows. One hundred seventy five students were potential Life Scholarship recipients. Two seniors received state academic honor awards and 62 seniors were honor graduates. Thirteen students participated in All-State Chorus. One hundred twenty six seniors received a Diploma with Distinction. For the eleventh consecutive year, our NJROTC was recognized as a Distinguished Unit. The class was offered over \$5 million in scholarships with the majority of seniors planning to attend college.

YCHS' faculty is 100% highly qualified and 83% have a masters degree or higher. Students were provided a well rounded curriculum that is aligned with the SC standards. A curriculum framework is in place, which includes individual graduation plans. Professional development focused on use of new technology and literacy across the curriculum. Academic recovery was offered before, during and after school. Sophomores were administered the PLAN and PSAT. Juniors were offered ASVAB, Compass and PSAT. Strategies were implemented to improve HSAP, EOC and SAT/ACT scores. Incentive programs were conducted to recognize students and staff for academic, attendance and other successes. A new tardy policy was implemented. The school was made safer by continuing use of random drug dog searches.

We are confident that YCHS will continue to provide a quality education for all students. We are committed to continuous improvement toward excellence. Please visit our website for additional information: [www.york.k12.sc.us](http://www.york.k12.sc.us)
